# Learn, Improve or Reactivate your German Language

## with the Barossa German Language Association Inc.

The Barossa German Language Association (BGLA) aims to revive or renew German as a community language. It supports documentation or recording of German speakers' life experiences, and at social events offers informal conversation for speakers to maintain German. It holds cultural events to promote German language use in the region, including regular Kaffee und Kuchen gatherings for seniors. The Barossa German Language School holds classes for young and old for revival of German language learning and use in the Barossa area.

Facebook: Barossa Spielgruppe/German  
Playgroup

The BGLA Spielgruppe gives parents and children 0-5 years old an opportunity to participate in a playgroup where German is the main language spoken. The children play together, enjoy a craft activity, sing songs and have story time with a connection to the German language and traditions. Parents also have the opportunity to learn/ improve their German and make social contact with other parents.

## German School for Children

For children from school age

German classes will start again on one afternoon per week during school term once minimum student numbers are achieved.

Students will build on their mainstream learning whilst focussing on German language and culture. The teacher uses the German language in class and incorporates games, craft activities and songs in the lessons ensuring enjoyable lessons.
